

MEDICAL MALPRACTICE DEFENSE

A large practice area for Billing, Cochran, Lyles, Mauro & Ramsey, P.A. is the defense of medical malpractice litigation on behalf of hospitals, physicians and their professional associations. For many years, the firm has been regularly engaged by leading national hospital corporations and medical malpractice insurance carriers to protect their interests and those of their insureds. Regulatory compliance and administrative issues are also routinely handled.

The firm is uniquely able to respond to ancillary issues which confront its institutional and physician clients, with a staff of Registered Nurses, certified litigation paralegals, a comprehensive expert data bank and the ability to identify and collaborate with the most highly qualified experts in all medical specialties. Combined with the aggressive and effective litigation skills of the firm's attorneys, clients are provided a distinct advantage which has translated to superior results during pre-suit, discovery, mediation and at trial.

Billing, Cochran, Lyles, Mauro & Ramsey prides itself on being a resource for its client. The firm has a long history of conducting seminars and in-service presentations as a courtesy to its clients. Our attorneys make themselves available 24/7 to handle hospital and physician issues which may arise after normal business hours. These are some of the reasons that Billing, Cochran, Lyles, Mauro & Ramsey has enjoyed lengthy relationships with clients including: HCA Healthcare, Tenet Healthcare Corporation, Trinity Health, The Doctors Company and Western Litigation. More of our clients can be found on our Representative Client listing.
